

# Call for Award Nominations 2011 Due September 19, 2011

Iowa Technology and Education Connection (ITEC) is seeking nominations for educators who demonstrate excellence in using, integrating and supporting technology in education.

## Educator

An innovative classroom teacher who uses technology to improve instruction and student achievement. This teacher must work directly with students at least .5 FTE.

## Administrator

A principal, superintendent, or other administrator who both uses technology and encourages its integration in his/her building or district.

## Local Technology Leadership

A person who is involved in technology in a leadership role at a local level but not necessarily at the state level.

## State Technology Leadership

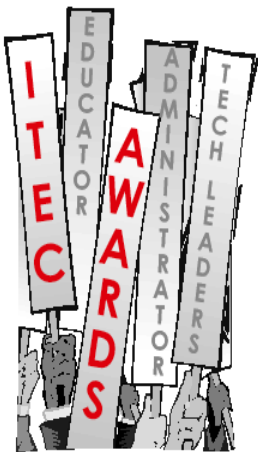

A person who is involved in educational technology in a leadership role at the state level. Nominees for this award should have significant involvement and influence beyond the local level.

## Application Procedures

Guidelines and application can be found at [http://www.itec.ia.org/en/awards/application\\_procedures/](http://www.itec.ia.org/en/awards/application_procedures/)  
Complete the short nomination form provided.

- Submit letters of support for the nominee (**3 minimum**). Multiple letters from a wide variety of constituents are encouraged.
- Nominees do not need to be current members of ITEC.
